OPEN	HOUSE
PRAHA	

On the weekend of May 17-18, 2025, the Open House Prague festival, together with students from the University of Economics, invites you on an unusual walk among school buildings that might feel familiar or completely new. Take a moment to slow down, go for a stroll, reminisce, let the children ask questions, and tell your own stories. You'll discover playful tasks, friendly conversations, and buildings full of their own unique tales. Start wherever you like - each place is both the beginning and the end. Just open the booklet and set off on your journey...
